OCTOBER 23, 2014

Present: Andersen, Kourajian, Buchanan, Brubakken, Dalsted, Reuther, Suko, Edinger, Greer, Sveum, Klundt, Wiles, Schwartzkopf and Fuchs. Absent: Gumke.

Discussion was held by the committee members as to the need to provide for the paving of 5th St NE from 12th Ave NE to 27th Ave NE, a small portion on the east end of 4th St. NE and possibly 27th Ave NE from 3rd St SE to 19th St NE. Consensus of the committee was to have the City Attorney and City Administrator research methods available for assessing the cost of paving to areas benefiting by the improvements.

Buchanan moved to recommend the City Council approve Change Order No. 2, to Swanberg Construction, Inc., on the Pump Station Improvements Project, DWSRF Project No. 4700498-05, for a net increase in the contract price of \$24, 150.00. Seconded by Kourajian. Unanimous aye vote. Carried.
