RE: STREET & AVENUE TRAFFIC MARKING/STRIPING

The City of Jamestown has started the annual street and avenue traffic marking/striping maintenance program. The work is expected to continue until completion, work is contingent upon changing weather conditions.

City owned parking lots along the BNRR corridor will commence on Tuesday May 22, 2018.

Motorists and other traffic should use extreme caution in these areas due to fresh paint and limited lane use. Please be aware of directional cones and the traffic maintenance crew.
