

WATER MAINTENANCE OPERATOR I
CITY OF JAMESTOWN

The City of Jamestown is accepting applications for the position of Water Maintenance Operator I. This position involves a wide variety of unskilled and semi-skilled labor activities in the routine operation and maintenance of the lime sludge de-watering system and the water distribution system. Applicants must have the ability to learn the operation of the lime sludge press and dredge, as well as other related equipment. Applicants must be able to perform moderately heavy manual tasks for extended periods of time in all types of weather. Applicants must have the ability to learn and understand the hazards and safety precautions common to excavations. Applicants must have a high school diploma or GED and must hold a valid North Dakota Class "B" driver's license with air brake endorsement. The successful applicant must be able to obtain a Class I Water Distribution Operators Certification from the North Dakota State Health Department within two (2) years of employment.

The Water Department operates on a shift basis, consisting of a (40) hour work week with such overtime as is required. The individual hired must be willing to work various shifts after training. The starting salary for this position is \$3,017 per month. (Salary range: \$3,017 – \$4,368).

Full announcement may be found on the City of Jamestown website. Only applications submitted on official forms will be accepted. Applications are available at City Hall, 102 3rd Avenue Southeast in Jamestown, or on the City's website at www.jamestownnd.org Applications must be returned by 5:00 p.m., July 18, 2018 to the office of the Deputy Auditor/HRO, 102 3rd Avenue SE, Jamestown, ND 58401 or emailed to jsveum@daktel.com Inquiries should be made to Jay Sveum Deputy Auditor/HRO 701-252-5900

The City of Jamestown is an Equal Opportunity Employer.
