March 13, 2018

City crews will begin the full snow plowing program starting Friday, March 15, 2019 at 4:00 a.m. beginning with the Emergency routes.

City crews will begin plowing residential areas at 11:00 a.m., Friday, March 15, 2019.

Crews will continue work during the night with the Downtown district beginning at 11:00 pm.

City Ordinance Section 25-10 requires that a property owner keep the sidewalk adjoining the property clear of snow and ice. Do not deposit snow or ice on the city street after the city plow has cleared the street. These violations are class B misdemeanors under the general penalty and will result in a fine.

PLEASE NOTE:

The above schedule is contingent upon changing weather conditions and snow accumulation totals.
