CORRECTION OF PLAT OF NOOTKA'S SECOND ADDITION TO THE CITY OF JAMESTOWN, NORTH DAKOTA

It is known to all who are present that the City Council of the City of Jamestown, having declared it by resolution to be necessary to correct the Plat of Nootka's Second Addition to the City of Jamestown by correcting the description thereof to conform to the plat of said Nootka's Second Addition as the same is actually and physically laid out, that the City Engineer of the City of Jamestown has assessed the attached corrected plat hereinafter made in accordance with the statutes of the State of North Dakota and in accord with the rules and practice thereof, and said plat is hereby submitted for kind consideration and approval.

That said plat is part of the Southeast one-quarter of Section 25, Township 88 N., Range 41 W., in McHenry County, North Dakota, and is more particularly described as follows:

Beginning at the Northeast corner of said Southeast one-quarter of Section 25, Township 88 N., Range 41 W., thence North 30° 49' 28" West, a distance of 100 feet to the point of contact with a 30° 39' 28" survey, thence Easterly along said curve a distance of 1000 feet, thence North 30° 49' 28" West, a distance of 1000 feet to the point of beginning. All streets and avenues are 30 feet wide, more or less.

The following is a true and accurate description of the situation and boundaries of said corrected Nootka's Second Addition in the same is actually and physically laid out.

All streets and avenues are 30 feet wide, more or less. The lines representing the plats, surveying, and boundaries are described and platted and defined by the parties.

And that Donald Wanner, a registered land surveyor and professional engineer, city engineer for the City of Jamestown, has further certified that the corrected plat of Nootka's Second Addition was made by him from an actual survey thereof and the same is true in all respects and better, forward, and true.

IN WITNESS WHEREOF, the City Engineer, Donald Wanner, registered land surveyor and professional engineer, in the City of Jamestown, State of North Dakota, have executed this instrument this 14th day of Sept., 1968.
