Midland Continental Railroad, (A North Dakota Corporation), with its place of business in the City of Jamestown, in Stutsman County, North Dakota, as owner and proprietor of land hereinafter described, together with Donald Venema, registered professional engineer and Surveyor, and as City Engineer of the City of Jamestown, North Dakota, hereby declare and make known that said owner and proprietor requested to be laid out and plotted and surveyed, a plat of Midland 2nd Addition to the City of Jamestown, North Dakota; and that plat thereof which is hereby attached was made by the said Donald Venema of Jamestown, North Dakota, in accordance with the statutes of the State of North Dakota and Ordinances of the City of Jamestown, North Dakota; in such case made and provided, a description of the situation and boundaries of said Midland 2nd Addition being as follows, to wit:

That said plat is a part of the Southeast Quarter (SEQ) of Section Twenty-Five (25) Township One Hundred Forty (140) North of Range Fifty-Four (54) West of the Fifth (5th) principal meridian in Stutsman County, North Dakota, what was formerly known as part of Block Twenty (20) and the western street adjacent thereto of Midland's Second Addition, consisting of 39.60 acres more or less, and is more particularly described as follows, to wit:

Comencing at the Southeast corner of said quarter section; thence North 90°-40' W. East along section line between Sections 25-140th and 161-140th a distance of 712.00 feet; thence North 89°-40' W. East a distance of 50 feet to the point of beginning;

thence North 90°-40' W. East a distance of 60 feet; thence North 90°-40' E. East a distance of 200 feet; thence North 90°-40' W. East a distance of 25 feet; thence South 90°-40' W. East a distance of 120.33 feet; thence South 90°-40' W. East a distance of 100 feet to the point of beginning.

That the foregoing is a true and accurate description of the situation and boundaries of said Midland 2nd Addition.

The survey on the attached plat representing the distances, length and breadth, denote feet or inches thereof. No streets or alleys are included in this plat.

At the time of surveying and laying out of said addition, the proprietor caused to be planted good and sufficient iron pins forming to the ordinances of the City of Jamestown, North Dakota, and the statutes of the State of North Dakota, covering the same, as shown on the annexed plat.

And the said Donald Venema as surveyor aforesaid, further certifies that the plat of said addition was made by him from an actual survey thereof and the same is in all respects correct and true, and said plat is hereby approved by him as City Engineer of the City of Jamestown, North Dakota.

In Witness Whereof, said Proprietor and owner, and said Donald Venema, Registered Professional Engineer and Surveyor, and as City Engineer of the City of Jamestown, North Dakota, have executed this instrument this 10th day of May, 1959.
