PLAT OF ROSEMORE'S ADDITION TO JAMESTOWN, NORTH DAKOTA
SE 1/4 SEC. 36 T140N R64W

JAMESTOWN, NORTH DAKOTA

In accordance with the statutes of the State of North Dakota, as amended and promulgated by me in accordance with the statutes of the State of North Dakota, I hereby certify that this plat is a true and correct representation of Rosemore's Addition to Jamestown, North Dakota, as surveyed and plotted by me in accordance with the statutes of the State of North Dakota and the statutes of the City of Jamestown, North Dakota, to more nearly scale and proportion.

The land situated in said Rosemore's Addition to Jamestown, North Dakota, lies in the SW 1/4 of Section 36, T 140 N, R 64 W, and is more particularly described as follows: to wit: beginning at a point located by going north from the SW corner of the SW 1/4 of said Section 36, a distance of 1025 feet to the point of beginning, which is the center of the James River, thence south along the west line of said Section 36 a distance of 1025 feet to the intersection of the west line of the James River and the south line of the James River, thence along the south line of the James River as it runs downstream to the point of beginning, less land sold to the State of North Dakota for Highway right-of-way, which is shown cross-hatched on the attached plat.

At the time of surveying and laying out of said Rosemore's Addition, the proprietors agreed to be placed and satisfied in the corners of each lot as shown on the attached plat.

In Witness Whereof I have hereunto set my hand and seal this 1st day of January, 1935.
